

According to THR, Yancy Butler has signed on to reprise the role of Nancy D'Amico -- Mother to Christopher Mintz-Plasse's Chris D'Amico -- in Jeff Wadlow's sequel to Kick-Ass. The site doesn't say, but I would assume she will be doing more than a one scene cameo this time around. THR also refer to the movie as "Kick-Ass 2: Balls To The Walls". We had heard that this might be the title they went with, but since then it had appeared the subtitle had been dropped. Is this official now? We'll see I guess. Also reprising their roles are Aaron Johnson, Chloe Moretz, and Mintz-Plasse. New additions so far are Donald Faison and John Lequizaro. Still no word on who will play Mother Russia, it seems they are having a bit of a hard time finding a suitable lady for that role.
