

Anticipated in the US and praised overseas, Marvel & Kenneth Branagh's Thor film has been described "solidly entertaining". And with that said, tons of new footage has been outed lately, and here lies a new Tv spot, courtesy of CBM's Zarina_Romanoff, showing even more. With a chilling voice-over from Laufey, king of the Frost Giants, check it out below. Thor spans the Marvel Universe from present day Earth to the realm of Asgard. At the center of the story is The Mighty Thor, a powerful but arrogant warrior whose reckless actions reignite an ancient war. Thor is cast down to Earth and forced to live among humans as punishment. Once here, Thor learns what it takes to be a true hero when the most dangerous villain of his world sends the darkest forces of Asgard to invade Earth. And Starring Chris Hemsworth, Natalie Portman, Anthony Hopkins, Idris Elba, and Tom Hiddleston, the
