

Ygritte, the red headed Wildling girl who falls in love with Jon Snow, plays a pretty big role in the second book in George R.R Martin's Song Of Ice And Fire series so it's likely that the character will also feature prominently in the show too. She had been the last major character to be cast (I think?) but now EW reveal that Rose Leslie will bring her to life.. Downton Abbey actress Rose Leslie has landed the key role of a Wildling woman that Jon Snow meets during during his adventures beyond the Wall. Ygritte is described as "strong-willed, witty, skilled in battle and survival in the wilderness. An unconventional beauty, skinny but strong with red hair (which the Wildlings consider 'kissed by fire')." Ygritte is a ferocious warrior but has a soft spot for Jon Snow. She is best known for her catchphrase: "You know nothing Jon Snow" which is frequently
