

Based on the long-running comic book by writer Brian Michael Bendis and artist Michael Avon Oeming, work is currently well underway on a small screen adaptation of the hit series by FX. Don't Be Afraid Of The Dark's Bailee Madison has been cast as Calista, and talked in detail about the role with Spinoff Online recently. "I love Calista! When you first see her in the beginning of the show, there's already kind of a thought, like there's something different about her. She has a secret. The truth is that she does, and we don't reveal it in the pilot." "If the show does get picked up, there are some really fun things that my character is able to do. She's such a sweet girl, but in the same way she'll kick some butt if she needs to. She's kind of raising herself in a way and ... she's got such spunk, some
