SUPERHERO TOONIVERSE: "Denial" seems to be following a pattern of singling out different characters over the past few episodes. GREG WEISMAN: Exactly. Each of our six episodes focused on a different member of the team, hopefully without losing track of the other five in the process. This episode is Kid Flash-focused, so it's really about getting into Wally's head a little more while he's dealing with concepts he's not comfortable with, and at the same time allows us to introduce a bit of a backstory of the universe, the idea of the Justice Society, we meet Kent Nelson, we learn a little about Doctor Fate and have a good time with that stuff. BRANDON VIETTI: What I like about this story is that it's a little bit of a departure from some of the other shows we've got. Our series has the covert ops vibe to it, and we take a slight
