

Zack Snyder continues to update his Vero account, this time with a look at Gal Gadot doing ADR work for Justice League. As you can see, the scene appears to be taken from around the 2 hours, nine minutes mark in the movie and features a conversation between Bruce Wayne and Diana Prince aboard the Flying Fox (that's the mobile base of the superhero team in the filmmaker's take). Beyond that, this doesn't reveal much, and all Snyder had to say was "Wonder Woman working hard in LA on post of JL." Still, with the finishing touches being put to the movie, a new look must be on the way. When that will arrive obviously remains to be seen, but common sense points to a trailer being attached either to The LEGO Batman Movie or Kong: Skull Island a little later this year. Thoughts? Starring Ben Affleck, Henry Cavill, Amy Adams, Gal Gadot, Ezra Miller, Jason Momoa, Ray Fisher, Willem Dafoe, Jesse Eisenberg,
