

Tonight's episode of Legends of Tomorrow featured the debut of Citizen Steel and a trip back to Feudal Japan, but things are going to get seriously weird next week when the team squares off with Civil War era zombies! How will it compare to The Walking Dead? Well, it probably won't be anywhere near as violent, that's for sure! Anyway, check out the promo below and then let us know your thoughts on it. When the Legends discover a time Aberration in 1863, they find themselves fighting for survival during the Civil War with Confederate soldiers who have been turned into zombies. With the Civil War outcome hanging in the balance, Jax (Franz Drameh) must participate in a daring mission by going to a slave plantation with Amaya (Maisie Richardson-Sellers). Meanwhile, Sara (Caity Lotz) begins to feel the burden of the decisions she has to make as the leader, and Ray (Brandon Routh) struggles to find his purpose on the team. Victor
